Add-X Biotech AB signs Ijaz Brothers as an exclusive distributor in Pakistan for AddiFlex®.

The Swedish bio-tech company Add-X Biotech AB has signed a distribution agreement with the Pakistan company Ijaz Brothers. Ijaz Brothers will be the exclusive distributor of all different grades of AddiFlex® in Pakistan.

Markus Jörgensen, CEO, Add-X Biotech AB: *"We are thrilled to have closed this deal and to be able to work with Ijaz Brothers in a long term agreement. The demand for our AddiFlex® is constantly growing world wide and this agreement fits well into our business strategy. Pakistan is a new interesting market for us and together with Ijaz Brothers we will now be able to make AddiFlex® available there as well."*

Ahsan Ejaz, Managing Director, Ijaz Brothers: *"We are delighted to have partnered with Add-X Biotech as exclusive agents for the marketing and distribution of their AddiFlex® degradable additives for the growing Pakistani market. Using Add-X's proprietary technology and capitalizing on our forty years of market presence, we aim to introduce the reality of degradable plastics to the average Pakistani consumer."*
